

**VALUE  
LEARNING**  
helping your child achieve

**KS2 Maths and  
English Booster**

## OUR COMPANY

Welcome to Value Learning, the sought-after tuition service that prepares your child for success. Our overall aim is to inspire children to reach their full potential. Every child is unique with varied needs and we would in small target groups, help to **build confidence, challenge, reinforce and address areas** for improvement identified by the initial assessment for each pupil.

## TEACHING METHODS

Research has shown that we all learn in different ways and with particular preferences. We place a high value on your child's learning and our experienced tutors utilize a mix of innovative teaching strategies to make difficult concepts easier; sharing their passion and instilling 'I can do' attitude. This could include educational games, mental exercises and experiential learning. We also take pride in stretching the advanced learners as our resources are geared to cater for all abilities through differentiated worksheets. Value Learning Tuition breeds success. Our aim is to ensure each pupil is working to his or her full potential through individualized learning with positive and corrective feedback.

## PROGRESS

At Value Learning the extra tuition provided is designed to complement the school curriculum throughout the year. The longer your child has to learn and practice, the more understanding and confidence they would have developed. Progress is monitored through weekly homework and termly tests are held during the course. Parents are kept up to date with pupil achievement through regular feedback. At Value Learning, we believe every child has the potential to succeed.

# BENEFITS

01

### CLASS SIZE

Classes are small hence we meet the individual needs of your child.

03

### KNOWLEDGE

We help "close the gaps" that inhibit children's progress at school.

02

### TAILORED

Individual Learning styles are inculcated into Teaching and Learning

04

### FUN

We make learning fun.

## INITIAL ASSESSMENT

It is important that your child does an initial assessment in order to meet his/her individual needs within the group. It ensures a suitable starting point by identifying areas of strengths and improvement. It provides an honest viewpoint of your child's present ability and will enable us to provide tailored and personalised tuition.

## HOMEWORK

Homework is given between each session and marked by the parent (all answers provided). All homework is due at the start of the next session. The homework plays an essential role in your child's progress by ensuring regular consolidation of the skills learnt at Value Learning.

This ensures that you will always be aware of the work your child is doing and the progress being made. It will also give you the opportunity to support and encourage your child in their learning, raising confidence and celebrating achievement. We value parental involvement especially helping your child to learn and recall times table, spelling and reading. The tutor will address any significant difficulties with the homework individually with your child during the sessions.

**Bonus: Free guidance to all our pupils who may need help in completing their school homework.**

# KEY STAGE 2 MATHS & ENGLISH BOOSTER CLASSES FROM YEAR 3

## ABOUT

We cover the framework of the KS2 National Curriculum in Maths and English (spelling, punctuation, comprehension and grammar). We ensure that your child develops the basic skills which are needed in order to provide a good basis to build on and introduce new concepts. Additional support and encouragement are provided for pupils who might find reading comprehension difficult at first. As the classes are small, one teacher to 8 pupils. We are able to meet the individual needs of your child.
